Rose Bowl was purchased in July 2007 by the Olson family. Darlene Olson (mother/owner) and Michele Olson (daughter) manage Rose Bowl Lanes, and working along side them is Justin Olson (Darlene's grandson). Merle Hay Lanes in Des Moines, also owned by Darlene, is managed by Rick & Sandy Ernst.

Since July, the Rose Bowl has undergone many improvements, including Snack Bar, New AMF ball returns, New Brunswick Vector Plus Scoring with LCD flat screen monitors, new tables chairs and paint. The building has been newly insulated for added comfort.

The Olson family prides themselves in running a business which offers quality fun for people of any age. From children's birthday parties and corporate outings to men's, women's, mixed, senior and junior leagues. Rose Bowl has what you are looking for.
